Open Day

Saturday 5 April

10am - 3pm

MU Murdoch
University

Ngala kwop biddi.
Building a brighter future, together.

A brighter future is here.

Make the most of your day and tour our unique bush campus, explore courses and meet your future friends. Open Day is the perfect opportunity for you to chat with staff and current students and find out about courses, careers, support on offer, all while getting a taste of uni life.

Welcome information

Start at any of our welcome information areas and grab your welcome pack. Talk to our friendly volunteers about where to go and what to do, based on your areas of interest.

Enter at Boola Katitjin 360.1.001 via Discovery Drive or at the Chancellery via car park 3, accessed from South Street

Open Day Highlights.

Join Uncle Olman for a tour of campus

(30 mins)

Come and join us for a cultural tour of the Murdoch University campus, with respected knowledge holder, Olman Walley, as your guide.

Learn about local Noongar culture, our connection to the lands of the southwest of Western Australia, and the cultural significance of the places on which the university stands.

[Bookings essential, please scan QR code](#)

📍 Departs Northern Plaza Broadwalk
10.30am-11.00am and
11.15am-11.45am

'Live and Explosive' Chemistry Show

(45 mins)

See, hear and feel chemistry in action! Enjoy demonstrations of explosions using cryogenics and be entertained with illuminating science involving materials you come into contact with everyday.

[Bookings essential, please scan QR code](#)

📍 Kim E Beazley Lecture Theatre (KBLT)
10.30am-11.15am and 1pm-1.45pm

Clubs

See our Student Clubs and Societies in action.

📍 Murdoch Active - Sports Precinct
All Day

Experience Japanese performances and activities

Enjoy the Taiko Japanese drummers and have a beat of the drums yourself after each performance. Join or watch a Japanese tea ceremony and Batik painting.

📍 Bush Court
12pm and 1pm

Library dogs

Come and meet our adorable and incredibly 'pattable' Murdoch dogs. These furry friends are sure to provide a delightful break during your visit.

📍 Library
All Day

Fly a drone, meet a friendly robotic dog, and see AI race cars in action.

📍 Boola Katitjin - Northern Plaza
All Day

Live music

Enjoy live acoustic performances by our students and relax to beats spun by our DJ throughout the day.

📍 Bush Court
All Day

Scorchers Diploma

Learn about our new Diploma in Sports Management in partnership with the Scorchers Institute of Sport.

📍 Level 4 Boola Katitjin
All Day

Make the most out of your day!

Your journey to a brighter future is unique. Explore our three distinct zones designed to help you navigate through uni life.

Explore your course options

Meet and chat with our academics and current students at info sessions in Boola Katitjin, our world-leading teaching facility. Browse course expos, join tours, enjoy immersive experiences, and discuss your learning and career goals.

TYPE	TIME	WHAT'S HAPPENING?	
School of Business			
Info/Chat	All Day	Meet Murdoch Business School! Chat with our academics about the changing world of work, how business permeates every area of our lives, what it's like to study Business at Murdoch, and where a business degree can take you.	360.3.031 Helicopter Tables
Info/Chat	All Day	Course Advice: See our course offerings and ask us how we can work together to tailor majors and course plans to meet your needs.	360.3.031 Helicopter Tables
Activity	All Day	What does OUR future Murdoch Business School look like? What does OUR future campus look like? Help us populate our map of the future.	360.3.031 Helicopter Tables
Activity	All Day	Career Matching! Find out your personality profile and what that suggests for career planning.	360.3.031 Helicopter Tables

College of Environmental and Life Sciences

TYPE TIME WHAT'S HAPPENING?

School of Agricultural Sciences / School of Veterinary Medicine

Displays & Activities	All Day	Come and chat to our team of experts: about all things relating to animal care and sustainable agriculture. Hear about our Veterinary Science and Agricultural Science programs, and meet our very own animals from our "On Campus Farm". Meet the Guide Dog Puppies that our "On Campus Animal Hospital" looks after as part of our partnership with Guide Dogs WA.	Northern Plaza Building 360
Displays & Activities	All Day	Join us for the Agricultural Science laboratory display where curiosity meets discovery: Immerse yourself in the dynamic world of biosecurity and the cutting-edge technologies used to safeguard animals, people, crops and ecosystems. Explore how innovation and biotechnology are driving advances in agriculture to support sustainable food production and thriving communities. Find out about a range of careers in animal science, animal health, and crop and pasture science. Tours of our working labs are available.	Loneragan Building 235.4.002
Displays & Activities	All Day	Come and check out our Mobile Biosecurity Lab/Van: that helps keep our crops, food and animals safe from pests and diseases.	Broadwalk adjacent to Loneragan Building Building 235
Tour	10.00am 12.00pm 2.00pm	Animal Hospital Tour: Join us for an immersive tour of our 24/7 Teaching Hospital, State of the Art MRI, Surgical Training Suite and Anatomy Museum.	Departs Northern Plaza Broadwalk
Talk	11.00am 1.00pm	Are you looking to jumpstart a career working with animals? Do you have a passion for agriculture and sustainability? Our course information talks will answer your questions about our courses in Veterinary and Agricultural Science, and how these lead to careers that make a difference. If you can't attend the talk, come and talk to our team on the Northern Plaza Hub who can answer your questions about all things animals and our world-leading agricultural science programs.	Longeran lecture theatre 235.3.016

College of Environmental and Life Sciences

TYPE TIME WHAT'S HAPPENING?

School of Environmental and Conservation Sciences (ECS)

Talk & Displays

All Day

Come and have a chat to our experts about the **Bachelor of Science (Environmental and Conservation Sciences)**. We can answer your questions about majors in: Conservation & Wildlife Biology, Environmental Science & Management and Marine Biology.

360.3.030

Talk

11.00am
12.30pm

Come and listen to our experts talk about the **Bachelor of Science (Environmental and Conservation Sciences)** with majors in: Conservation & Wildlife Biology, Environmental Science & Management and Marine Biology.

360.3.034

Tour

10.00am
1.00pm

Saving Our Snake-necked Turtle: See how our Environmental Scientists put wildlife conservation into action! Visit our conservation category wetland on campus and learn how to become a 'Turtle Tracker'. Do your bit to help save the Southwestern Snake-Necked Turtle from extinction. (1.5 hours)

Departs Northern Plaza Broadwalk

Tour

10.30am
11.00am
11.30am
12.30pm
1.30pm
2.30pm

Visit our teaching laboratories: where we have hands-on displays and activities from the marine and terrestrial realms. Discover how we study and conserve these environments, and the amazing critters that live within them. Please follow the signs from Boola Katitjin Northern Plaza or join a tour.

Departs Northern Plaza Broadwalk or Loneragan Building 235.4.001

TYPE	TIME	WHAT'S HAPPENING?	
School of Medical, Molecular and Forensic Sciences (MMFS)			
Info/Chat	All Day	Does the study of disease and human health interest you? What about the world of infectious disease and monitoring of antibiotic resistance? Interested in knowing more about genetics? Meet the academics of MMFS to discover how our courses support students to pursue real world careers in biomedical science, forensics and nutrition.	Level 4 South end Building 360
Display & Activities	All Day	Does the study of disease and human health interest you? What about the world of infectious disease and monitoring of antibiotic resistance? Interested in knowing more about genetics? Come along and chat with our experts and tour our Laboratories and see some experiments in action.	Loneragan lecture theatre 235.4.001
Tour / Display and Activities	All Day (every 30mins from 10am-2.30pm)	Does the study of disease and human health interest you? What about the world of infectious disease and monitoring of antibiotic resistance? Interested in knowing more about genetics? Come along and chat with our experts and tour our Laboratories and see some experiments in action.	Departs Northern Plaza Broadwalk or 235.4.001

SUPPORT & SUCCESS

Future Students and Admissions Team

Chat with our Domestic and International teams to explore our courses that combine cutting-edge theory with real-world experiences, ensuring you are job-ready. Discuss entrance requirements, entry pathways, and the application process with our Admissions team to study at Murdoch University.

Bush Court

Pathway and Enabling Programs

We offer pathway programs to prepare you for Murdoch University. Our teams will help you find the right program and guide you through the application process, whether you're a Domestic or International student.

Bush Court

Scholarships

Chat to us about the range of Scholarships available for commencing and continuing students and how to qualify and apply.

Bush Court

Orientation and Transition

Chat to our Orientation team to learn how they support our students to feel confident and ready to not only commence their studies, but to thrive at uni.

Bush Court

MyAdvice

Meet the team who will help you with course planning, enrolment, and a wide range academic and pastoral support.

Bush Court

Kulbardi Aboriginal Centre and School of Indigenous Knowledges

Discover our Kulbardi Aboriginal Centre, K Track enabling program, and Indigenous Knowledges program. Learn how we support First Nations students and enjoy a hands-on craft activity with us.

Bush Court

Library

Visit the Library to explore the range of study spaces, collections, learn about book and laptop loan schemes, and workshops offered. Meet our friendly Library dogs, and take a Library tour.

Library

Access Wellbeing and Equity

We offer medical, counselling, and accessibility support. Join our daily wellbeing drop-in space to connect with other students through a range of creative activities.

Bush Court & The Den in the Winter Gardens

Academic Support and Support for Learning

Discover academic support through workshops, online resources, and our Peer Academic Coaches (PAC) and Peer Assisted Study Sessions (PASS) programs. Friendly upper-year students are here to help you succeed at university.

Library

Murdoch Guild

The Murdoch Guild is your voice on campus, offering advocacy, support and services as well as a wide range of events and activities. The Guild is run by students, for students. Membership is free and available to all students at our Perth and Mandurah Campus.

Bush Court

MU Active & Clubs and Societies

Visit our sports precinct to explore the great facilities and programs we have to cater to your fitness and wellbeing needs. Experience our E-Sports centre, and explore and engage with our student Clubs and Societies to learn how they'll add value and connect you to your peers while you're at Murdoch.

Murdoch Active - Sports Precinct

Campus Living

Have a chat to the Murdoch Village team and find out the benefits of living on campus. With village tours departing regularly, you will be able to see the accommodation for yourself!

Bush Court

The Den and Winter Gardens

Visit The Den, our friendly wellbeing hub to learn about our student 'crafternoons.' health events, and what a great space it is for students to connect. Take a break from Open Day and join us for some craft and calming activities

Winter Gardens

Information Sessions

Uni 101 – Everything you need to know! (30 mins)

Everything you need to know about uni in 30 minutes! From lingo, entry pathways, how to apply, costs, a typical day, and how we support you. This session will answer questions you didn't even know you had, and will help you in having more detailed conversations with our wide range of teams at Open Day.

Boola Katitjin 360.2.023
10.30am–11.00am,
11.30am–12.00pm and
1.00pm–1.30pm

Orientation - becoming a uni student (30 mins)

Hear from our wonderful Orientation Team on what to expect after you accept your offer, and how you'll be supported through the range of steps to prepare for, commence, and thrive in your course.

Boola Katitjin 360.2.023
11.00am–11.30am and
1.30pm–2.00pm

Travel while you learn – Go Global! (30 mins)

Enjoy the opportunity to travel and experience overseas cultures for a short course, a Semester, or a full year as part of your Murdoch University degree. Find out how we can help you make it happen!

Library–Launchpad
11.00am–11.30am and
1.00pm–1.30pm

Regional Student Hub (30 mins)

If you're visiting from a regional area, join us at the Regional Hub located in The Loft for an information session, or drop in throughout the day to meet some current regional students and let us answer any questions you may have about relocating to Perth, commencing your studies or studying remotely.

The Loft
(Building 425, top floor)
10.30am–11.00am and
12.30pm–1.00pm

Explore your **CAMPUS**

Student Hub

Enjoy food and drinks from a wide range of vendors catering to all tastes in both the Student Hub opposite Bush Court, and Summer Courtyard

Student Hub
and Summer
Courtyard

Quiet and Low Sensory Zones

If you need a space to rest and recharge on Open Day, then visit our dedicated outdoor quiet zones, or Boola Katitjin 360.2.025, where the lights will be dimmed and noise minimized. Join us for Lower Sensory Hour from 2.00-3.00pm.
